

## STUDENT PROFESSIONAL AWARENESS SYMPOSIUM

Student Professional Awareness Symposium (SPAS), A two day talk and interactive session between students and professionals were held in association with Industrial Application Society at College of Engineering Karunagappally on 24<sup>th</sup> & 25<sup>th</sup> of August 2019. 124 student participants were attended the event. The group of Young Professionals including Er. Anandhu S Kumar, Er. Anish Mohan, Er. Staji Wilson & Entrepreneur Shyam Pradeep contributed their valuable time for the SPAS in order to motivate and encourage the students. It unveiled the possibilities students can explore in their near future establishing the beaming importance of Industrial Application Society in IEEE.
