

## **CIRCUIT DESIGNING WORKSHOP**

IEEE Student Branch College of Engineering Karunagappally has organized a Circuit Designing Workshop exclusively for IEEE members on 10<sup>th</sup> April 2019 in association with Industry Application Society at College of Engineering Karunagappally. The attention and dedication showed each and everyone in 25 participants made the workshop a grand success. The session was handled by Ms. Sajna Mohammad (Chairperson, Robotics and Automation Society) and Mr. Hari Prasad (Chairperson, Power and Energy Society CEK). The workshop came to an end on 13<sup>th</sup> April 2019.
