

EXECOM TRAINING

IEEE Student Branch College Of Engineering Karunagappally executive members committee of IAS Chapter was refueled by the new executive members for the academic year 2019-2020 on 2nd March 2019. The very next day 3rd March 2019, the training for the new members was held. The training session was taken by the Student Branch Mentor Mr. Anandhu S Kumar. He gave an informative speech regarding the opportunities of being an IEEE member and the action to be taken for enhancing student branch activities. The training came to an end by a talk, which was delivered by Senior Executive Committee members. The students were given a deep insight into the importance of IAS society and it's

advantages.
